

Lab.

25X1A

Some of the material [redacted] ordered was not in stock but representative said he would obtain and forward to us. When available should be either punched to or, if time short, held for [redacted]

25X1A

The USC material referred to in attached dispatch has been lost by F.E. I've called [redacted] twice with no success. I also have the girls in the file room trying to locate it. When found punch or hold for [redacted] as above.

Keep in mind - the USC Material must be returned to [redacted] Station.

25X1A

1. Automatic Electric Material.

Under Separate Cover Material.

Approved For Release 2000/06/14 : CIA-RDP78-06505A000700060006-8

5/23/69 - never received RAN

Hold here if not ready to send out
